Work in Progress:

Research on valuation methods and PILOTS for affordable housing assessments. I completed New York State Assessors Association Training in Valuation of Affordable Housing on April 7, 2021.

Business as Usual:

Most assessments are completed for the 2021 Roll.

I will be available to answer questions about the tentative roll by phone only on 4 dates to be determined in May. A public legal notice will be published the first of May containing this information and setting the dates and times for Grievance Day which is scheduled to be held in person by appointment same as last year.

• As of April 10th there is a preliminary net increase to the Town's assessed value of 4,971,600. This number is subject to change.

We have had several new homes, additions and garages as well as properties coming off exemptions and back onto the tax roll.

This number includes increases in assessment for exempt properties as well such as the Behavioral Health Building.

The equalization rate will be set at .95.

• Exemption Summary:

Enhanced Star: 15 properties going from Basic Star to Enhanced Star

Veterans Exemptions: 6 new for 2021

Ag exemptions- 100 properties in the ag assessment program, 9 did not renew

Forest 480-a- 87 properties, 4 have not renewed

Respectfully Submitted for April 2021 Penny Haddad, Assessor

Repay any grant funds if it defaults on obligations.

Project:

Dr. Rezk Abdelrahman is seeking to a new business, McRez Packing Inc., as a USDA certified meat and poultry processing facility. MPI would seek to process cattle, pigs, goats, sheep and chicken purchased from local and regional farms for wholesale and retail sales. They would also offer custom processing services for farmers. MPI would begin with the construction of a 4,000 sq/ft facility in the Walton Industrial Park, with the goal to expand to 12,000 sq/ft over time. The facility would operate Monday through Friday in a single shift in the first year, expanding to a second shift as growth requires. This project entails the construction of the initial 4,000 square foot facility, the purchase of machinery and equipment and working capital. Project costs are currently estimated at \$800,000. Financial assistance to be made available to the business through this grant would be approximately \$250,000. The project would result in the creation of up to 26 full-time jobs over two years.

Application Process:

- Preliminary Application: Requires Supervisor to certify that they have authorized the submission of a pre-application and to sign a preliminary budget form.
- Full Application: Would require the Town to hold a public hearing regarding the proposed project and adopt a resolution authorizing the submission of a formal application.
 Additional requirements include full commitment of all project financing and site plan approval by the Town of Walton Planning Board.
